MASTER CLASS:

CPI/EXECUTIVE AND LEADERSHIP

"TRANSFORMATION OVERSIGHT"

Leading organization transformation for sustainable success

has taken on an entirely different framework. At CMA, we understand that formula and have created **CPI/Executive and Leadership Excursions.** Leaders will learn the language of Lean Performance Excellence from an Oversight perspective. This philosophy integrates itself into your script when coaching for Sustainable Success and Ongoing Transformation in your organization.

Our sessions and training series are highly interactive and include **Simulation Case Studies** that build your capacity as a Practitioner in CPI.

TRACK ONE APPROXIMATELY 3–4 DAYS

Includes topics such as:

- "Leaders Guiding Leaders for Sustainable Success"
- Managing Continuing Process Improvement (CPIP – A3 General Improvement Oversight or 8D Risk Management Assessment: A Practitioner Approach)

TRACK TWO 3–6 MONTHS

Includes topics such as:

- Lean Champion
- "Leaders Guiding Leaders"
- Lean Project Management/ Oversight

DiSC Both tracks include individual and/or group culture DiSC® Personal Assessments.

More confident, with a new "speak"

The capability to **guide your teams**

Sustainable success and consistent goal attainment are achievable

A newfound appreciation to lead your organizations on a more **focused and profitable journey**
